1. **NO SERVICE UNDER 30 WITHOUT WRISTBANDS.**
Each booth will have an ID-CHECKER to do wristbands. Those who look UNDER 30 should be carded. Anyone under 40 should get a wristband.
2. **NO SERVICE TO OBVIOUSLY INTOXICATED INDIVIDUALS.**
If one bartender decides that someone should not be served, then all servers shall refuse service. Please notify all others in your booth, then your booth supervisor as soon as possible.
3. **ONLY TWO BEERS PER TRIP TO THE BAR.**
This helps curtail service to minors. You need to see ONE WRISTBAND for every TWO BEERS you serve. Non-alcohol beverages are not limited.
4. **NO FREE DRINKS. NOT EVEN FOR VOLUNTEERS, FOOD VENDORS, ETC.**
Volunteers will be issued beverage coupons they can use toward beverages.
5. **NO DRINKING ON DUTY... NO SMOKING IN THE BOOTH OR ON THE PIERS.**
If you would like to have a drink, please do so outside the booth, and after your shift is done. If you leave, make sure you notify the rest of your crew that you are stepping out for a break.
6. **NO EMPTY BEER CUPS are to be given out.**
Cups may be counted periodically to keep tabs on sales. If a minor is caught by the police with a beer cup, they will be ejected from the event and cited.
7. **NO FRIENDS OR UNSCHEDULED BEER POURERS ALLOWED IN BOOTH.**
If someone agrees to fill in or cover a break, they must have a supervisors permission first. Please socialize, schmooze, or meet new friends outside the booth.
8. **HELP CLEAN UP BEFORE YOU LEAVE.**
Please help out by organizing, tossing trash + wiping down tables. If you need to leave early, let beer supervisor know at the start of your shift.
9. **DON'T POUR OR OPEN MORE THAN YOU NEED.**
Poured beers or open wine bottles can't be sold after LAST CALL (ask a beer supervisor for specified time), so AVOID WASTE!
